

REMARKS

Claims 1-22 remain in this application.

Applicant has amended Figure 3 to add element 61. This is the only change to the drawing figures in the application. This addition is fully supported by the original specification, including at least page 11, line 31 to page 12, line 2. Such amendment to Figure 3 is believed not to add new matter to the application.

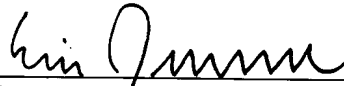

Entry of the above amendments is earnestly solicited. An early and favorable first action on the merits is earnestly requested.

Should there be any matters that need to be resolved in the present application, the Examiner is respectfully requested to contact the undersigned at the telephone number listed below.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,
